Dear Dr. Beatty,

I am writing to ask about the public comment that you submitted to Docket EPA-HQ-ORD-2011-0111 (a copy is attached). This was submitted to the docket for tert-butyl alcohol. It looks as though your comments are actually on the benzo[a]pyrene assessment dermal slope factor. The specific docket for BaP is EPA-HQ-ORD-2011-0391. I wanted to see if you would like to change your cover letter to indicate the BaP docket as well as the reference line and then submit it to the BaP docket? An alternative is that I can ask the docket center to move the original document you submitted to the BaP docket but the cover letter won't be changed. Please let me know which you would prefer.

Best wishes,

Vicki Soto
